Project Prayer

Father God, We thank you for our church building and the way it speaks of you. We thank you for the generosity and care of generations past, who have kept and improved it. Please help us to be wise stewards of this great building, that it may reflect your glory and provide a fitting home for your family in this our generation, from where we may reach out in mission and welcome others in fellowship. We pray for the successful completion of our reordering project. To your praise and glory, Amen.
