

Holy Week and Easter 2011

On **Palm Sunday** we processed between our three churches. Children carried donkeys they had made in Sunday school the week before.

On **Maundy Thursday** we celebrated Christ's institution of the Eucharist at St Martin's.

Good Friday saw the blessing of a new piece of art in St Peter and St Paul's. A "Word Cross" has been donated by a parishioner in memory of family. The blessing was attended by Councillor Malcolm Gale, chair of Farningham Parish Council.

The children of the parish performed a Passion play in Farningham Village Hall on **Easter Saturday**.

This was followed by an Easter egg hunt around church.

Easter Sunday saw a Communion service in each of our three churches. Here Collette rolls the stone away from in front of the tomb in Farningham's Easter garden.
